**ORDER DENYING MOTION FOR ADMISSION PRO HAC VICE**

---

Before the Court is counsel Joseph M. Murray, Jr.'s Motion for Admission Pro Hac Vice (ECF No. 9) filed on October 22, 2014. According to counsel's Motion, Mr. Murray is a member in good standing of the bar in several federal courts. Counsel has attached a certificate of good standing from the United States District Court for the Northern District of Georgia. However, Local Rule 83.4(d) sets forth the procedures for admission to participate in a particular case and requires counsel to submit certificates of good standing from the highest court of a state (or the District of Columbia) as well as from a United States District Court. Counsel has not provided the proper certificates of good standing to obtain permission to participate in this case.<sup>1</sup> Therefore, the Motion for Admission Pro Hac Vice is **DENIED** without prejudice to re-file the motion with proper certificates of good standing.

---

<sup>1</sup> The Local Rules of Court also require that a proposed order in a word processing format accompany all motions. Defendant did not submit a proposed order with counsel's Motion for Leave to Appear Pro Hac Vice.

**IT IS SO ORDERED.**
